

“LegisStream has improved our agenda preparation considerably. What normally took over a week is now down to a two day process! The agenda process is virtually automatic...[We] have moved light years ahead...”

Lydia Beiswanger
California Clerk of the Board
Merced County

Questys® LegisStream

LegisStream will automate your entire agenda process, from creation of staff reports, agendas and packets to real-time roll-call, vote tabulation and meeting minutes, from archiving agendas and backup material to searching and retrieving by keywords, agenda item titles and full-text, both via LAN or Internet, LegisStream is the solution to your agenda development and management needs.

Agenda Creation and Internet Publishing Made Simple

Questys LegisStream module creates agenda items and staff reports for review, submittal, approval and inclusion on the final agenda. You can also auto-generate the agenda, in your format, simply, quickly and effortlessly; and when your agenda is complete, post your agenda packet on the Web with LegisStream's Internet Publishing feature.

Keep Up with a Constantly Changing Environment with Ease

The LegisStream module gives you the flexibility to keep up with a fast-moving, constantly changing environment with the ability to add, move, defer, sort and delete agenda items with a couple of easy mouse clicks.

Increase Efficiency in Your Internal Processes

LegisStream helps you do even more with its additional features:

- LegisStream's Legislator feature records elected officials notes effortlessly.
- LegisStream's Clerk feature records real-time meeting minutes and vote tabulations, as well as, auto-generates the minutes immediately following the meeting.
- LegisStream's Roll-Call feature supports real-time attendance accounting.
- Integrate with Granicus MinutesMaker by including the Questys Granicus Integration module with your Questys Enterprise LegisStream system.

The Bottom Line

The Questys LegisStream Electronic Agenda system streamlines the legislative agenda process. What was once an arduous task of manually compiling paper and data into an Agenda Packet is now made quicker and easier with LegisStream.

Questys® Granicus Integration

Automate, extend and accelerate your legislative process with agenda management and interactive streaming capability.

Expand your Questys LegisStream agenda management module with Granicus MinutesMaker:

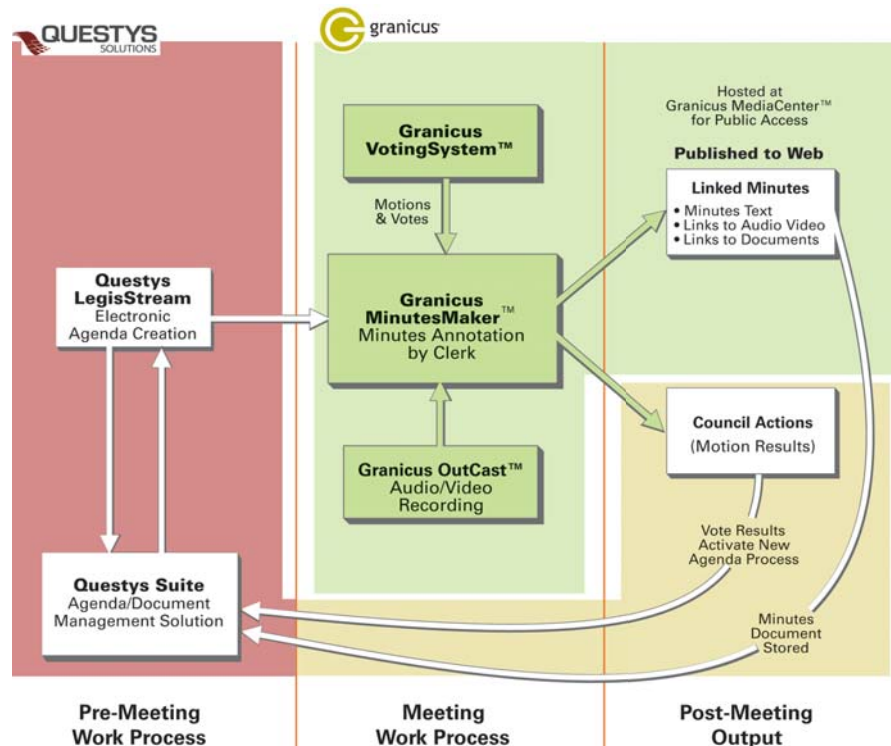

- Manage all stages of the legislative process.
- Quickly export all agenda items and related documents from Questys LegisStream into Granicus Live Manager.
- View LegisStream agenda and supporting documents directly from your Granicus integrated web interface.
- Keyword search of streaming video, agendas and minutes just like “Google”.
- Import meeting actions with audio/video links back into LegisStream for permanent historical records and archive.

Optimize Your Agenda Management Workflow Process

Enhance your Questys LegisStream™ Electronic Agenda Management module with one-click integration of Granicus MinutesMaker™ for a powerful combination of agenda management tools, enriched with streaming video. Granicus integration solution leverages your communication tool set and effectively manages the legislative process: pre-meeting activities such as agenda creation; meeting activities including minutes annotation; and post-meeting activities such as minutes preparation and distribution.

Fully Integrate Your Agenda Process

Questys LegisStream Electronic Agenda fully automates the agenda creation process with innovative agenda management tools and archiving capability. Granicus MinutesMaker delivers the infrastructure and live meeting management tools to capture, store, and distribute recordings of all public events for convenient live and on-demand viewing over the Web. The two combined create an integrated public record available 24/7 for live or on-demand access through your website. This record includes keyword searchable archives, interactive meeting agendas and minutes linked to audio/video recording indexes, supporting documents, and global distribution capability with quick and easy publishing to your website and the Granicus MediaCenter™.

The Bottom Line

Together Granicus MinutesMaker and Questys LegisStream, maximize productivity and deliver real-time results by creating a paperless workflow, instantaneously configuring event and agenda data, while streamlining the workflows of your public meetings.

“The implementation of Questys has changed the way we manage records. We are now able to cut down on storage space, save \$\$\$’s, man power hours for search and retrieval and improve accuracy rates for finding files. Research time has been cut down greatly.”

Deanna Gunn
Accounts Payable Supervisor
Auditor Controller’s Office
County of Monterey, CA
